

OET Exam Preparation

Accelerated Programme (Monday to Thursday, 12 hours in total)

What is OET?

OET stands for Occupational English Test — A language test for health practitioners who have qualified to practice in one country and wish to gain provisional registration to practice their profession in another which has an English-speaking context. The test measures the language competency of health practitioners who are seeking registration and the ability to practice in an English speaking context. It is designed to ensure that language competency is assessed in a relevant professional context.

Each OET sub-test is scored as one of five grades, from A - E. A is the highest grade, E is the lowest. Most professional registration bodies require a minimum of B in each sub-test.

Why study Accelerated Exam Preparation at WIE?

The Accelerated OET Preparation Course is designed for students who are about to take the OET and would like some last minute preparation. It is ideal for those who have taken the OET before but not reached their goal in all subtests. It is also useful for those who have taken IELTS and now want to try the OET. This course covers all aspects of the exam, Listening, Reading, Writing and Speaking, and is taught by an experienced ESOL teacher. This course is great for those who are already working outside of Hamilton and can only get a short amount of time off. This is because it runs for four days with three hours of study a day. WIE is happy to let out of town students use our computer room for additional study outside of class hours.

The course will help you to:

- Focus on improving your skills in each of four areas: reading, writing, listening and speaking.
- Learn about the exam and receive guidance from qualified experts on the questions and tasks you can expect in each section of the exam.

Additional Study Benefits

- WIE is the OET exam centre for the Waikato and Bay of Plenty Regions
- Qualified teachers who have experience teaching OET
- 85% of students who do this course passed their next OET with at least "B".
- Small classes mean you get more individual attention
- Modern city centre campus close to shops, cafes and hotels
- Great for those who have to travel to Hamilton

Student Testimonial

Mr Salih - I have received my OET result, and guess what; I got 4 Bs from the first attempt. Without the help and the guidance I received at WIE, I don't think I would be able to do it.

The teacher who run the course was very helpful, organized, enthusiastic, supportive and energetic. She made every effort to teach us the required skills for achieving the OET score we need. She made a huge effort to mentor the group and she gave valuable advice and individual feedbacks for each of us. The mixtures of different disciplines have made the class more interesting and fun. It was a great experience preparing for OET exam at WIE and I am keeping the benefits of this preparation to improve my English communication skills for my professional and personal life.

Choose WIE and let us help you get the results you need for success!
