

ENGLISH FOR FAMILIES

ENJOY AN ENRICHING AND UNIQUE HOLIDAY FOR THE WHOLE FAMILY!

WIE welcomes families of all sizes and nationalities to study at our school and our friendly staff will help you create the best holiday package for your needs.

Fun and flexible, WIE's English for Families package offers a combination of courses that are perfect for all ages from 11 years and up. For families with younger children, we can help arrange their enrolment at a local primary school or preschool once you arrive.

Our courses aim to develop students' general English skills and give you plenty of opportunity to practise your reading, writing, listening and speaking in class. The curriculum focuses on useful vocabulary, essential grammar and pronunciation techniques, as well as colloquialisms and everyday phrases.

We will design a package to suit your family's needs. You may opt to enrol your children in full-time studies, while you study in the mornings and spend your afternoons visiting museums and galleries. Or you might choose to book private lessons, with either one or two students per teacher, to allow them focus on one particular area or skill and speed up their learning.

With so many options available we recommend you contact us to discuss your specific requirements.

YOUR COURSE INCLUDES

- Textbooks including workbooks and CDs
- Individual assessments
- Tourist Information and recommendations
- Weekly after-school activities and regular school trips
- Accommodation arrangements
- Regular progress reports and a certificate of achievement

Airport pick up/drop off and insurance can also be arranged upon request.

ACCOMMODATION & TRANSPORT

Homestay is a popular choice for small families and couples, allowing you to experience life with a local Kiwi family, and quickly improve your English. A self-catering apartment is the best option for larger families or families studying long-term, as it offers a fully-furnished, modern home-away-from-home and comes equipped with kitchen and laundry facilities. Both options are located near the school and city centre, which are easily accessible by public transport.

Renting a car is recommended for families who want to explore, as Hamilton's central location means you are only a short drive from many of popular tourist destinations including Rotorua, Hobbiton, the Waitomo Caves, Lake Taupo and some of New Zealand's best surf beaches!

To book your family's ultimate study holiday contact WIE at info@wie.ac.nz.
