Funded by the NZ Government

Waikato Institute of Education (WIE) is one of the only few English Language Schools to receive three types of funding for English language courses from the Tertiary Education Commission (TEC). WIE receives Student Achievement Component Funding, Adult and Community Education (ACE) in Communities Funding, and English for Migrants Funding.

Cambridge IELTS Pre-Testing Centre

As WIE is approved to offer IELTS Pre-Tests, students have the opportunity to take an official IELTS test under test conditions without the pressure of the actual test.

International English Test Examiners

WIE has an excellent pool of certified examiners on staff, including those with Cambridge, IELTS, OET and TOEIC experience. Enthusiastic and engaging, our teachers create a dynamic and professional learning environment and go the extra mile to help you achieve the results you want. All our teachers are fully qualified, native English speakers, most with over 15 years of experience teaching.

Teacher Training - NZCLT

Nationally recognized language teaching qualification developed specifically for those wanting to be a language educator in English, Chinese, Spanish, Japanese or in their own native language.

NZCEL Courses

WIE's New Zealand Certificate in English Language (NZCEL) program gives students the opportunity to gain direct entry (without IELTS or other exam) to certificate, diploma, degree, and post-graduate programs at Institutes of Technology throughout New Zealand. Students can gain NZCEL at any of 6 levels from level 1 (foundation) to level 5, though only levels 3 through 5 are considered sufficient for further studies.

Cambridge English Examination Centre

Cambridge English examinations are the world's most valuable range of English qualifications, recognised by over 13,500 universities, employers and governments worldwide. WIE is the only Cambridge Examination Centre in the Waikato and Bay of Plenty regions.

OET Examination Centre

WIE is an exam centre for OET (Occupational English Test), the English language test designed for healthcare professionals. Accepted by healthcare regulators and councils in NZ and abroad, the qualification is used for registration, education, and employment opportunities.

TOEIC Examination Centre

TOEIC (Test of English for International Communication) is the world's most popular test for Business English in the workplace, recognised by nearly 14,000 organisations in over 150 countries. WIE is the only TOEIC Testing Centre in Hamilton, New Zealand.
