The Kiwi Experience Program is designed for groups of students to have the opportunity to learn English and have a true Kiwi Experience. Waikato Institute of Education (WIE) is located in Hamilton, in the heart of New Zealand's North Island. WIE has been teaching English to students of all ages and from all around the world for the last 10 years and knows how to help students make the most of their New Zealand Experience.

Activities

Hamilton is a small city and it gives students the opportunity to experience a safe, fresh, Kiwi environment unlike any available in one of the many big cities around the world. For afternoon activities students stay around Hamilton and are able to:

- Visit farms and experience rural New Zealand
- Visit the award winning Hamilton Gardens
- Participate in NZ activities such as Rugby, Golf and much more

Saturday day trips give students the chance to see other parts of New Zealand as they visit places such as:

- Rotorua with it's mud pools, farm shows and Maori culture
- Otorohanga to see the iconic Kiwi bird and Matamata to visit idyllic Hobbiton
- Kawhia with hot water beaches, horseback riding and fresh food

Classes

In addition to this great experience of what New Zealand is really like, students are able to learn English from qualified and experienced, native English speaking teachers. Students have English classes every morning so they are able to learn the skills that they will need as they go out to practice on their afternoon excursions. WIE's nationally recognised English courses are designed to help students learn English effectively no matter the length of the course.

* Activities/Excursions can be tailored as required.

* For ages 10 years+

**With so many beautiful places to visit
and things to do,
New Zealand is one of the best places
you could choose to visit!**
